

# WISI DZ 14 A

Compression tool for F-connectors

## Description

The DZ14A compression tool is utilized for easy and reliable mounting of F compression connectors. It features a multi-headed plunger that facilitates the compression of the connectors DV10N, DV14N, DV15N and DV15, making it a versatile tool.

## At a glance:

- Versatile and flexible compression tool for assembling F compression connectors
- Multi-headed connector plunger suitable for compression connectors DV10N, DV15N, DV15 and DV14N
- Fast switching between different connector types due to uncomplicated alternation of plungers
- Precise and easy adjustment of required compression length thanks to user-friendly measuring scale
- The Ergonomical design contribute to low hand fatigue and higher comfort

## Technical data

Type of mounting	compress
